

Corporate Services

World Film Federation- Corporate Services help clients communicate effectively with customers, clients, vendors, Investors and of course employees.

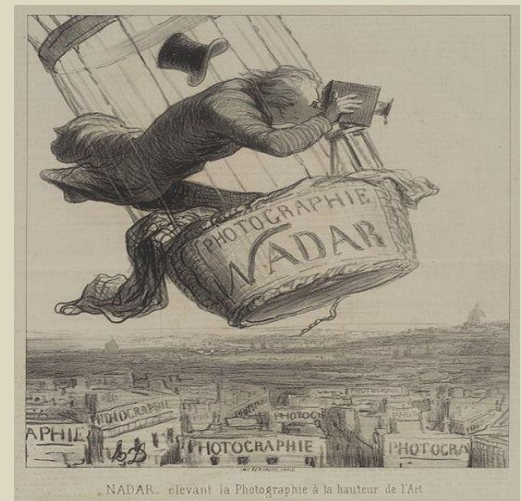

Our marketing and corporate communications division distinguishes us by a unique combination of;

“Powerful, Strategy and Outstanding Execution.”

Whatever it takes to tell your story – corporate video, materials, internal communications planning, brochures, ads, website design or multimedia presentations- we at WFF study your business, think through your objectives and develop a strategic approach that will work for you.

Services include but not limited to:

- Corporate / Industrial videos
- Electronic press kits
- Aerial support
- Employee communication strategies & videos
- Event and exhibition videos
- Health and safety training videos
- Internal branding videos
- Internet video production
- Non-profit & fundraising solicitation videos
